

Dreamer

Laufey
Arr. Rachel Hertz

like floating through a child's happiest memories

(intro) let me be a dreamer let me float I can see the whole world

4 from my own little cloud up on the Milky Way I'll stay here for ever

8 double time with independence and sass

and a day (Verse 1) You can't pin me down I fear all so lid
(Verse 2) Some might call me mad the worst this town has

12 I'd rather be a lone at tea loud when no bodies
I fell right down the rabbit hole Legend says I fell so fast I

16 making me oh boys just make me cry days Be-lieve me I have tried
lost my soul oh my mel-an-cho-ly days are few and far a-way

20 I've made my rounds kissed some mouths trust
I've had enough Called it off As

23 me I don't want a single soul a round oh I'm
far as I'm concerned this witch is numb to love oh I'm

25 (Chorus) Giving up I'm throwing in my hat I can't take another life

28 less little chat I'm moving up in to a cloud in to my fa-na-a-sy
